## CYCLE

Jefferson City, MO - July 11-13, 2012

The CYCLE (Cooperative Youth Conference and Leadership Experience) program is a three day conference held in Jefferson City. It brings in some of the brightest young leaders from across Missouri. The focus is to show students more about electric cooperatives, teach leadership skills and experience Missouri state government. The program includes nationally known speakers and a day at the state Capitol. There is also time for fun activities like an outdoor barbeque and a hypnotist. The group is also divided up into smaller teams that compete in various events like the “build a cooperative” game. If you are interested in participating in our Youth Tour to Washington program as a junior or next year, this is a great place to start!

Macon Electric Cooperative invites Sophomores to fill out an application for the opportunity to participate in this fun filled conference. The deadline for applications is April 2, 2012. Selections will be made by April 30, 2012.
