

# Co-ops In Action

Chariton Valley and Macon Electric Cooperative have joined forces to positively impact our communities with the 'Co-ops In Action' program. Together we dedicate time and employees to tackle work projects for the communities we serve.

## ***How it works:***

- Community leaders submit a Project Request Form.
- If the request is approved, a Volunteer Work Day is established.
- Macon Electric Cooperative and Chariton Valley employees work together to accomplish selected projects.
- Completed Projects:
  - *Painted New Cambria stage and assembled playground equipment*
  - *Assisted the Macon Downtown Association with planters*
  - *Spruced up the Atlanta Softball Field*
  - *Replaced the Walsworth Community Center small conference room ceiling*

*Making a difference in the communities we serve is our goal.  
Together we can make a difference!*
